Health & Safety Policy

Company Name: Sparrow Cleaning Limited
Address: 24 Thatcher Close, RH10 6DZ, Crawley, West Sussex
Date: 1st January 2025

1. Statement of Intent

Sparrow Cleaning is committed to maintaining a safe and healthy working environment for all employees, clients, and visitors. We comply with all relevant health and safety legislation and aim to prevent accidents and injuries by promoting safe working practices.

2. Responsibilities

- Management is responsible for ensuring compliance with health and safety policies, providing PPE, and conducting risk assessments.

- Employees must follow health and safety guidelines, use PPE correctly, and report hazards or incidents immediately.

- Clients must inform us of any site-specific hazards and provide safe access to the premises.

3. Risk Management

- Conduct risk assessments before commencing work.

- Follow COSHH regulations for handling cleaning chemicals.

- Use PPE as required (gloves, masks, goggles where necessary).

- Ensure floors are dry and free from slip hazards before leaving an area.

4. Emergency Procedures

- In case of an accident, first aid will be administered, and an incident report completed.

- Fire exits must always remain clear, and all personnel must follow fire safety protocols.

- In case of chemical exposure, affected areas should be rinsed immediately, and medical help sought if necessary.

5. Review & Compliance

This policy will be reviewed annually and updated as necessary to comply with current health and safety regulations.
